Dear Parent/Caregiver

Camp preparation is going well thanks to the positive approach from parents and students. We have an excellent programme organised and we are looking forward to an adventurous 3 days!

Included on the back of this booklet is the equipment list that your child will need for Camp. You and your child can check things off as they are packed.

REMINDERS:

- 1. Equipment**
Please ensure that everything is named so that misplaced items can be returned.
- 2. Personal Safety and First Aid Kit**
This should include a few band aids, insect repellent, sunblock, tissues, lip balm and school sunhat. No medications should be included. We will be taking a more extensive first aid kit with us.
- 3. Medicines**
Any medication that your child requires is to be clearly labelled (name, Area and Home Group) in a snap lock bag. Instructions regarding dosage must be included. This medication must be handed to your senior teacher the week prior to camp.
- 4. Morning Tea and Lunch**
Students will need to bring their own packed morning tea, drink and lunch for Wednesday. We will feed them for the rest of the week!
