

FARM COVE INTERMEDIATE

15 March 2017

Dear Parents/Guardians

CULTURAL VISIT TO SOUTH KOREA: SEOUL AND GUNGWON PROVINCE

As indicated at our recent 'Meet the Teacher' evening we will be involved in a cultural visit to Seoul and Gungwon Province, South Korea. A group of approximately 12 students will travel to South Korea, departing 3 October 2017 and returning 14 October 2017. These trip dates fall in the Term Three holidays.

We have established relationships with schools in Gungwon Province so are keen to offer this experience for our students. Groups of students from Gungwon schools have recently been to visit us and we are looking forward to this return trip.

This self-funded trip is expected to cost approximately \$4,000 (including personal spending money) and could be a little more for adults. We are keen to take parents as added support. For those who can meet the costs of this trip and wish for their son/daughter to participate in this programme we believe that the students will have a most memorable experience. The students will be involved in activities that are simply not possible to do as a regular tourist e.g. home stay with a Korean family and time in a school.

An information evening will be held at our school on Wednesday, 22 March at 5.30 pm in Area One. I will be travelling with the group and an FCI teacher will also travel to provide additional support.

Application forms will be available at the meeting and from the office if you are interested in your child being considered for this educational trip. Application forms, with a \$500 deposit (cash or cheque), need to be returned to our school office by Monday, 10 April. We are happy to discuss this opportunity further if you wish to give us a call.

Kind regards

Linda Harvie
Principal
