

# FARM COVE INTERMEDIATE

4 August 2017

Dear Parents and Caregivers

Currently your child is in the Art Specialist classes. During this cycle we are working with the Te Tuhi education programme. Each class has the opportunity for the Te Tuhi Education Officer to come to the school and take a lesson. I have also booked two lunch hours for students to have the opportunity for an escorted visit to the Te Tuhi contemporary art exhibition. There are a limited number of seats in the school van so those who hand in their permission slips first gain a place.

Later in the cycle students are working on a major project of a painting. Should students wish to purchase a canvas to work on I will be ordering next week (there is a sale on). If students wish to purchase their own that's fine but the canvas needs to be at least the size of A3 paper.

There is some great talent in the classes!

Regards

.....

I give my child, \_\_\_\_\_, Area/hg \_\_\_\_\_  
permission to attend the Te Tuhi Art Exhibition on 16 or 30 August 2017.

My child would like to purchase a canvas (24x30) through the school at a cost of \$10.50 (cash enclosed).
