

FARM COVE INTERMEDIATE

1 May 2018

Dear Parents/Guardians

Your child has expressed interest in joining the **after-school tabletop games club**. It's a social club and offers a good opportunity for kids to learn from playing games.

While most children are used to a round of 'house rule' Monopoly or Scrabble, the tabletop games we play are a little bit more complex and heavily focus on interacting with others. Think Dungeons and Dragons for those of you who might know it. We also play games like Werewolf, Bang!, and Codenames.

Originally the club was active during lunchtimes, but with only 40 minutes of playtime, the students have said that they need more time to 'finish' the bigger games. This is the main reason for the after-school nature of the tabletop gaming club.

Like any other extra-curricular activity, please organise the pick-up process with your children. I will stay in the Area and supervise the club activities.

The games are from my personal collection and I ask for children to be careful in not losing any of the pieces... but this does happen from time to time. As such, there will be a limited number of memberships available. Please return the form as soon as possible to secure your place!

Venue: Area 3
Day and time: Tuesdays, 3:30-5:00pm (after choir)

I will create a Google Classroom to post news and notifications, however if you have any questions or concerns, please email me at (sojungy@farmcove.school.nz) - and yes, parents are welcome to come by and watch or play.

Ngā mihi and kind regards

Sojung Yoon 윤소중
Area 3 Homegroup 2

Please tick:

- I do not give permission for my child to be part of the after-school tabletop gaming club.
- I give permission for my child to be part of the after-school tabletop gaming club.
