- ❖ Set up a calendar for your child to check each day
- ❖ Helping your child pack for each day so they have what they need and are organised
- ❖ Naming all their clothes
- ❖ Offering to help with parent help

Some things we need

- ❖ We need you to check the equipment list carefully and ensure your child has everything they need – again please name.
- ❖ Please do not pack lollies, cell phones, MP3's, any form of technology except cameras (optional).
- ❖ Please do not try to ring or visit your child at camp. If there is an emergency contact the school or ring Totara Springs and ask to speak to the teacher in charge
- ❖ Please send all medicine in a named clip lock bag with careful instructions before we go on camp
- ❖ All children need to go to and from camp on the bus
- ❖ Children need to be picked up early – please not at 5.00pm when you finish work!
- ❖ Please have your child here on time when we leave for camp. If possible on arrival back please help unload buses – many hands make light work.

Some things to ease your minds

- ❖ By the time camp arrives, we will have received all forms and have a medical register with medical needs outlined for every child going on camp.
- ❖ We have a list of dietary needs that have been given to the caterer and a list will be kept in each kitchen
- ❖ The instructors at Totara Springs are fully trained to assist your child in taking part in all activities
