

FARM COVE INTERMEDIATE

13 February 2018

Dear Parents/Caregivers

Your child has registered their interest to take part in the Eastern Zone Orienteering Sprint Series.

Details:

Tuesday, 20 February - Farm Cove Int
Tuesday, 27 February - Botany Downs College
Tuesday, 6 March - Howick College

Tuesday, 13 March - Bucklands Beach Int
Tuesday, 20 March - Macleans College
Tuesday, 27 March - Pakuranga College

All events begin at 4.00 pm. Entry to the series is free, and students can enter as many of the events as they like.

The school will register the students on behalf of Farm Cove Intermediate, and a member of staff will attend on the evening, however, as the series is hosted outside of school hours, students need to make their own transport arrangements to and from the various venues.

School PE gear (including white socks and trainers) is to be worn for the competition and asthma inhalers should be carried with the child. Students are also encouraged to take a refillable water bottle and rain jacket as necessary.

Please advise any health, emotional concerns or issues that teachers need to be informed about to ensure child's safety.

Yours faithfully

Kathryn Ward and Caroline Pinney
Teachers In-Charge

Please return to the post box outside of Miss Ward's Office by Thursday, 15 February.
