

FARM COVE INTERMEDIATE

7 May 2018

Dear Parents/Guardians

The kapa haka girls are going to be making two poi each this year for them to use and keep, rather than relying on an aging school set. We are asking the girls to bring a koha of \$5 towards materials for making their poi.

Please ask your daughter to bring the koha to school as soon as possible. This can be brought directly to me or put in an envelope and placed in the secure payment box in the Library. Name, homegroup and "Poi" on the envelope please.

We appreciate your support with this.

Kind regards

Hannah Jenkin
TIC of Kapa Haka
