

FARM COVE INTERMEDIATE

27 February 2018

Dear Parents/Guardians

School leaders (councillors, ambassadors and house captains) are selected because they have demonstrated leadership potential. These students have a vital role in the life of our school and but require support to develop their leadership skills. We therefore would like to encourage your child to participate in the 2018 leadership programme. This year the programme has been developed and will include:

- A leadership day out on Wednesday, 28 March (we will require parental support for this day of adventure!)
- Half day workshops on Monday, 7 May, Wednesday, 4 July, Wednesday, 26 September and Thursday, 22 November. Each session is led by Gary Carr from CrossNet and will include goal setting, an introduction to the Seven Habits of Mind, application of the habits and home tasks.
- An online chat forum, which will be accessible to parents. This forum will provide the students with opportunities to share their leadership experiences and ask questions. The forum will be regularly updated with reminders, inspirational video clips and prompts to focus discussions.
- An overnight experience on Thursday, 22 November. During this evening students will evaluate and share their learning, the challenges they have faced, and highlights with their families.

The cost for the full leadership programme, including all activities, workshops, accommodation, food and transport is \$160. Methods of payment include:

- EFTPOS at the school office
- Through the school shop – visit our website www.farmcove.school.nz and follow the link
- Online banking to our ASB account (A/c No 12 3011 0162324 00) (reference your child's name, area/homegroup and "Leadership Programme")
- Cash/cheque

The permission slip must be placed in the secure payment box in the Library regardless of payment.

While this programme will enhance your child's learning, it is not part of the delivery of the curriculum. However, we are sure that this leadership development programme will benefit your child not only in their current position of responsibility at Farm Cove Intermediate but also in their future.

Yours faithfully

Tamara Jones, Diane Scarrow, Joe D'Ambrosio and Tim Alderdice
Teachers in charge of School Leaders
