

FARM COVE INTERMEDIATE

6 April 2018

Dear Parents/Caregivers

Term 2 is a busy and exciting term for Science in the year's calendar. Not only are all students going to be doing their own Science Fair projects, but the school is also hosting the **SCIENCE & TECHNOLOGY ROADSHOW** on Tuesday, 28 May (during school hours) and your child is invited to take part. The Roadshow travels around New Zealand demonstrating Science in a hands-on, fun way. It hosts a live show and showcases a hall full of interactive exhibits demonstrating a range of scientific phenomena to stimulate thinking and learn from, in a relevant and entertaining way!

As the Pakuranga region hosts, we are fortunate to be able to offer a reduced entrance rate of \$7.00 to FCI students, payable *by eftpos at the office or cash/cheque in an envelope put in the secure Library payment box* by 4 May (end of the first week of next term.) Alternatively you can pay via the school online shop or the school bank account (see slip for details).

While this activity will enhance your child's learning it is not part of the delivery of the curriculum. We do hope you will support this worthwhile opportunity for students to experience the wonders of science first hand.

Yours faithfully

Lynn Dunbar
Specialist Science Teacher

.....
Student's Name: _____ **Area** ___ **Hg** ___ has my permission to attend the **SCIENCE & TECHNOLOGY ROADSHOW**.

Payment can be made by cash, cheque, school online shop (link on our website) or bank deposit (ASB A/c 12-3011-0162324-00) – reference your child's name, area/homegroup and "Science Roadshow". Eftpos payments can be made at the office.
