Dear Parents/Guardians

RE: Wheel-a-thon for "The Glade"

At Farm Cove Intermediate we have decided our annual fundraiser will go towards building a large layered stage and seating area outside the Performing Arts room. The decking will provide a place for students to relax, connect with others, perform, or comfortably watch sporting activities on the lower field under the shade of our native trees. The estimated cost to build the stage and seating area is approximately \$15,000. To raise money for this project we are holding a wheel-a-thon! On Friday, 1 June students will ride, roll, or be transported in any form of transport with wheels around a 3.15 km course. Students must have a helmet if they are riding a bike, scooter or skateboard and all equipment must meet safety standards.

We understand that making financial donations can be difficult for many families, so we would like to reciprocate students' efforts by offering the following:

- Every child who donates **\$5 or more** will be allowed to wear mufti on the wheel-a-thon day (1 June). Students can choose to pay \$2 to wear mufti instead of donating.
- Every child who donates **\$10 or more** will also receive an ice block after the wheel-a-thon. Ice blocks will also be on sale for \$2 on the day.
- Every child who donates **\$15 or more** by 7 June will also receive free entry to the Wheel-a-thon concert which will be held in our school hall and will showcase our talented musicians and performers.

Every home group that collectively raises more than \$600 (**\$20 per student**) will also receive a pizza lunch and the overall highest individual earner will receive two tickets to a local venue for their effort.

There are four ways to donate:

- School shop – visit our website www.farmcove.school.nz and follow the link to donate in multiples of \$20.
- Online banking to our ASB account (A/c No 12 3011 0162324 00). Reference your child's name, area/home group and "Wheel-a-thon".
- EFTPOS at the school office.
- Cash/cheque - payment in these forms should be sealed in a labelled envelope and placed in the secure payment box in the library.

Let's get those donations rolling in!

Yours faithfully
